

The RIGHT Way to Insure Pet Care Professionals

If you handle pet care accounts, this is the most comprehensive insurance and risk management solution available for your clients.

Welcome to PetPro™ – a revolutionary, all-lines insurance program for Pet Care Professionals.

PETPRO is truly unique; a group of pet lovers and pet industry insurance specialists, supporting and protecting the professionals who make a positive impact on the lives of pets every day.

Inspired by our love of creatures large and small, our mission is simple: *to offer an exceptional line of insurance and risk management products tailor-made, and competitively priced, for pet care professionals and businesses.*

We proudly serve veterinarians, animal hospitals, shelters, pet hotels, doggie day camps, pet rescue and adoption organizations, dog walkers, pet sitters, pet trainers, groomers and pet boutiques – just to name a few. (See page 2 for a complete list.)

We strongly support pet rescues, fosters and adoptions and we will **NOT** insure businesses engaged in the sale of any pets.

Through our *PETPRO Charitable Fund*, we give back and are deeply committed to supporting programs that:

- Save the lives of homeless pets
- Raise awareness of pet welfare issues
- Nurture the healthy bond between people and pets

This is not just business to us – we're passionate about pets and the pet care community.

PETPRO FEATURES

- **Most Complete** – PETPRO provides the most complete suite of coverage to meet the very unique needs of virtually every type of pet professional.
- **Bigger "Appetite"** – We cover virtually all types and sizes of pet care business with one exception: we do NOT insure businesses that sell pets of any kind.
- **Highly Competitive** – Pet professionals are a different breed than other small businesses. Our research has enabled us to provide a product with the right coverages, limits and prices specifically for these types of businesses. The result: the coverage you need, tailored to your client's business, at a price that will make you "purr."
- **And We Don't Bite** – With responsive underwriting, loss prevention and unprecedented risk control services, we make it easy for you to protect your pet professional clientele.
